

TOLEDO

GET INVOLVED

EPIC Toledo is the largest young professional group in the Toledo Region.

Join a planning committee!

Looking to get more involved in EPIC Toledo? Sign up to assist on one of our committees! Our planning committees help engage members and plan signature events throughout the year! Learn more about each committee below.

Membership Engagement

This committee focuses on being active ambassadors to the membership of EPIC and facilitating an open and welcoming environment for young professionals to get connected to the resources and network of EPIC. This committee helps to plan monthly socials and finds new ways to engage overall membership throughout the year.

This committee meets on a monthly/bi-monthly basis to plan social events and work on strategies for membership engagement.

Leadership Summit

This committee helps to plan our day-long professional development conference, bringing together hundreds of young professionals and community leaders for a day of connecting, professional and leadership development and community building. They assist in outlining themes and speakers, assist in the selling of sponsorships and utilize their networks to promote the event.

This committee meets on a quarterly basis, with meetings increasing to monthly as the events draws closer.

Leadership Golf Outing

This committee helps to plan our signature Leadership Golf Outing. This scramble-style outing consists of teams made up of three EPIC members and one community leader from the Toledo Region. Committee members will help establish details of the day including any additional activities and planning logistics. They will help secure sponsorships and promote the event to their networks.

This event meets on a quarterly basis, with meetings increasing to monthly as the event draws closer.
